

4+1

# Reel ROVER

- One-person operation
- No pallet jack or fork truck needed
- No set up, tools or chocks required
- Navigate debris, inclines and declines using our gearbox
- Stop rechecking the set-up of your pull
- Integrated free-spinning ground
- Fits through finished doors and in elevators
- No wooden reels to recycle
- Handles 4 phase conductors plus 1 ground

*It's time to*  
**Tame the Beast**

Eliminate those awkward  
 wire reels on your job site.
